HAVEN COLLECTION

he primal yet contemporary form of our popular Hyper collection is the central motif of this chic yet practical work environment. Fashion meets functionality in this striking system, ideal for your home office or your corner office. All your power access and wire management needs are addressed— we've included a prewired power strip with surge protector and USB power outlets. Just open the magnetically-latched fold-down access panel, make your connections, and simply close the panel— no tools needed. You can run all your cables through the access grommet on the generous desktop, which features a dynamic inset Sable or Caviar acid-etched glass "blotter" which reinforces the flattened arch theme while concealing a champagne-fronted keyboard tray/pencil drawer. The dynamic arched body, clad in stainless steel panels and rich walnut veneer, artfully conceals all wiring and connectors. There's also a rolling file cart, which mimics the flattened arch desk top with contrasting stainless and walnut drawer fronts and handles. Add the companion credenza and bookcase to complete the most stunning workplace ensemble available today. Haven desk and Haven file cart, credenza, and bookcase are available in any Elite powder-coat finish, with either Sable or Caviar etched tempered glass. Walnut veneer components are available in a variety of finishes. Haven credenza, bookcase, and buffet also available.

SPECIFICATIONS

The dynamics of Gigi, Rene, and Tangent accent tables provide a contemporary agreement that Enhances all living spaces. Graceful and elegant, Gigi suggests a ballerina's pirouette just as Rene remains stately and serene. Gigi's three Champagne-plated steel arms spiral up from a sturdy base, supporting a gleaming stainless steel disc that is bonded to the 1/2" thick round tempered glass top. Rene's two interlocking arms gracefully meet at the glass base. Very sturdy and yet easily moveable, either Gigi and Rene will add a sculptural presence to any room. A new addition to our popular Tangent collection, this dynamic accent table provides the same sophisticated statement in a more compact, portable scale. A shimmering Champagne-plated arm curves gently upwards, grasping a stainless steel disc that is permanently bonded to the 1/2" thick clear tempered glass top. All bases available in Rift-cut Oak veneer, while the Tangent incorporates steel feet available in Topaz only.

TRIPLEX COLLECTION

Geometrically striking, the Triplex table features three sleek upturned arms which mesh in a dynamic triangular symmetry. A striking visual focus is created by the precise gap between these three elements. The taut forms of the three arms provide a striking display of rich walnut veneer, and combine to provide a dramatic surface which can also function as an accent shelf. Each arm is supported by a gently tapered steel armature, which rise from the gently bowed triangular steel base to support the ½" thick clear glass top. The companion end table emphasizes the dynamic cocktail table design with the same exquisite mixture of materials. Steel components are available in all Elite powder-coat finishes, and walnut veneered arms are offered in a variety of finishes.

Defying gravity is the main inspiration behind the Volo series — not surprisingly, Volo is Italian for "flight." The unusual design of the structural body gives Volo a graceful sculptural form, with a modern and futuristic look. The cantilevered forms create a truly magical touch, adding a new-age feel to any room. A smartly contoured stainless steel body-- mirror polished on the top, brushed on the side edges-- grasps solid stainless steel billets that are permanently bonded to the ½" thick tempered glass top. The sculptural steel form is balanced by simple walnut veneer bases, available in many finishes. Volo is certain to attract lots of attention, while offering functionality and style.

VICTOR COLLECTION

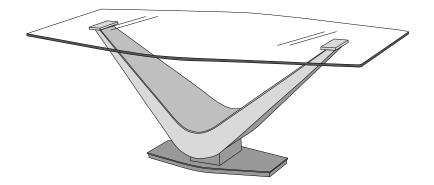

M O D E R N

VICTOR COLLECTION

he strong geometry of Victor's boldly tapered chevron-shaped body, clad in striking panels of brushed stainless steel and rich walnut veneer, all converge to create a modern sophisticated dining environment. A generous reverse hourglass-shaped glass top further reinforces Victor's refined geometrical presence. Two solid stainless steel billets securely anchor the 1/2" thick tempered glass top. The entire body appears to hover above an understated steel base, which is available in all Elite's powder-coat finishes. Choose from two sizes: 42d x 76 x 28.75h or 44d x 86w x 28.75h. Victor will easily coordinate with and complement any of our popular dining chairs. Companion cocktail table, end table, and console, are also available.

VIVIAN COLLECTION

Vivian is tall and elegant, with shapely tapered legs and just a hint of sparkle. Crisply tapered and tailored forms create a striking silhouette, while providing comfort and support. Vivian's sparkle comes from a polished stripe of solid aluminum, which links the extra tall upholstered back with the sturdy steel frame. Vivian can be dressed up or down to complement any interior design scheme, and will easily coordinate with any of our popular dining tables. Available in all Elite fabrics and leathers, Vivian's steel frame is offered in all Elite powder-coat finishes. Companion bar and counter height stools are also available.

HYPER COLLECTION

he primal, monolithic form of the Hyper table is a contemporary interpretation of ancient arched portals. Dramatically splayed and angled stainless steel panels frame a continuous plane of walnut veneer that wraps the entire structure. This walnut plane tapers as it rises to the softly radiused shoulders and central span, where two solid stainless steel squares are bonded to the generous tempered glass top. The Hyper table is a powerful, elemental form that will enhance any environment. The Hyper round dining table is available with a 60" tempered glass top or as a 42" x 76" rectangle. A companion end table, console, and cocktail table are also available. The walnut veneer is available in a variety of finishes.

TRIPLEX COLLECTION

Dynamic triangular symmetry is the basis of the Triplex dining table. Three tautly formed arms pinwheel around each other, creating a precise, visually intriguing gap while offering a generous display of rich walnut veneer. Each arm supports a solid stainless steel disc which is permanently bonded to the tempered glass tabletop, available in two sizes. Steel base and leg spines are available in all Elite powder-coat finishes, and walnut veneered arms are offered in a variety of finishes. Triplex will easily coordinate with many of our popular dining chairs. Companion cocktail and end tables also available.

COCO COLLECTION

Short and sassy, Coco brings a casual, fun presence to your dining experience. Dramatically splayed and tapered steel legs give Coco a playful stance, and the rear legs rise to just kiss the bottom of the generous curved walnut veneer back. The softly radiused shoulders of the back surround a sleek upholstered panel, while cradling a plush seat cushion. There's even a champagne handle to make Coco a little easier to handle. Steel legs are available in all Elite powder-coat finishes, and walnut veneered back is offered in a variety of finishes. Coco will easily coordinate with many of our popular dining tables. Companion bar and counter stools are also available.
